

# ROYAL BALLOON

## FLIES WITH QUALITY AT CAPPADOCIA

Royal Balloons offer a uniquely joyful experience in Cappadocia, which is considered the world's 8th wonder...

Royal Balloon Cappadocia, the only balloon company selected for "American Express Selects" program, the symbol of prestige and luxury, is the only company using state-of-the-art silver coated balloon fabric in the region.

**HASAN ARSLAN**

The first and only balloon company in Turkey to become a member of American Society of Travel Agents (ASTA), continues to be unique for its quality. Royal Balloon has ISO 9001 certificate, and being distinctive, organizes luxurious and high quality hot air balloon trips in Cappadocia region. Balloons that are used for these flights are the first and only state-of-the-art silver coated balloon fabric used in Cappadocia region. The company provides personalized luxurious flights with 5 hot air balloons manufactured in 2010 and 2011 by the world's best hot air balloon manufacturer Lindstrand Balloons, and shine out for its before and after flight services as well. Royal Balloon is the only company in

Cappadocia that serves an open buffet breakfast to the guests before their flights. Safety is the most important factor for Royal Balloon Cappadocia and it is guaranteed by their experienced pilots. Flight staff include well-known pilots in Cappadocia, Suat Ulusoy (Chief Pilot), David Stanley Parkes, Ercüment Sandıkçıoğlu, Flemming Bertil Göransson and one of Turkey's first women balloon pilots, Şeniz Tuzcu. All passengers of Royal Balloon Cappadocia are insured by Eureka Insurance Company with highest insurance policy rates. Royal Balloon, the only balloon company selected for "American

Express Selects" program, the symbol of prestige and luxury, is also the first and only Turkish balloon company with a corporate membership in the Balloon Federation of America (BFA). Royal Balloon has a membership in British Balloon and Airship Club, BBAC as well. They organize flights only early in the mornings, and have two different programs for their customers.

**ROYAL KING FLIGHT:** The flight is approximately 90 mins. Passengers are brought to the operational flight centre from their hotels in luxurious vehicles in the morning. Open buffet breakfast is served before the flight. Then the passengers are transferred to the take off area, designated by the pilots according to the specific wind directions of that day. Passengers have the chance to watch the balloon being prepared if they wish. The 90 minute flight

Famous American TV producer, presenter, gourmet and writer Martha Stewart took her place in explorers of Cappadocian skies with Royal Balloons...

takes place on Cappadocian skies in 10-12 people capacity balloons. Passengers celebrate the flight with champagne and/or orange juice and they are presented with Golden Royal Medals before being transferred back to their hotels.

**ROYAL QUEEN FLIGHT:** The flight is approximately 60 mins. Passengers are brought to the operational flight centre from their hotels in luxurious vehicles in the morning. Open buffet breakfast is served before the flight. Then the passengers are transferred to the take off area, designated by the pilots according to the specific wind directions of that day. Passengers have the chance to watch the balloon being prepared if they wish. The 60 minute flight takes place on Cappadocian skies in 15-20 people capacity balloons. Passengers celebrate the flight with champagne and/or orange juice and they are presented with Silver Royal Medals before being transferred back to their hotels. ■

As its name implies, the guarantee of Royal Balloon's quality lies in being a part of Dinler Hotels' management, a company with years of experience in tourism...
